## What we do

**How does United Republic Bank protect my personal information?**

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

**How does United Republic Bank collect my personal information?**

We collect your personal information, for example, when you

- Open an account or deposit money
- Pay your bills or apply for a loan
- Use your credit or debit card

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

**Why can't I limit all sharing?**

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
